Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. Prost-X contains the unique glandular materials of prostate Cytosol™ extract, plus specific enzymes that are thought to support a healthy prostate. These enzymes play a fundamental role in supporting healthy tissue.
2. The enzymes support proper cellular function by supporting normal capillary formation.
3. The substances unique to the bovine prostate Cytosol™ extract help support prostate health at the cellular level.

These statements are made for a dietary supplement containing a proprietary blend of *Tillandsia usneoides*, calcium glycerophosphate, and bovine prostate Cytosol™ extract. Other ingredients include gelatin, honey, water, natural colors, and calcium stearate. The name of the product is Prost-X™.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
